The background is a complex, abstract composition of geometric shapes in various shades of brown, from light tan to dark chocolate and black. The shapes include circles, triangles, squares, and irregular polygons, some overlapping and some cut off by the edges. The overall effect is a textured, layered look reminiscent of origami or architectural design.

The background features a repeating geometric pattern of light orange pentagons arranged in a grid-like fashion on a darker orange background. The pentagons are oriented with one vertex pointing upwards and another pointing downwards, creating a symmetrical, interlocking design.
